

Dear Guests,

Flemish chops? Chicory and Roast beef? Steak and French fries?  
Definitely not, this is about the third edition of the Belgian Connection

## **Mussels Diner**

You all are kindly invited on **Monday 7th of December as from 20h00** for pre-dinner drinks, followed by an evening of casual dining while enjoying smooth jazz performed by a live jazz duo.

For all the known reasons organized at the **Novotel Bucharest City Centre**, Calea Victoriei 37, private underground parking accessible from Matei Milo street.

We have seats for a maximum of 240 gourmets - so it's a matter of being fast - the first company tables are booked already.

Reservations can be made:

- *as company* (one - or more - table(s) of 12 people) for 1.500 RON (EUR 350) per table,
- *as yourself* - whether or not with a bunch of friends of acquaintances (you reserve a number of seats) for 150 RON (EUR 35) per person.

Reservations are compulsory and can only be made by sending an e-mail to [belgianconnection@gmail.com](mailto:belgianconnection@gmail.com). Please do confirm if you choose the mussels or want an alternative meat-plate, and clearly indicate the number and name of the people coming with you.

Individuals can contribute their fee at the entrance; companies will receive an e-mail with transfer details - their fee is payable upfront. You will receive a confirmation of your subscription.

Join us for a great evening with mussels, Belgian fries and mayo,

**The Belgian Connection Team**
